8. Executive Committee decision to change BIEN's status from an International Non-profit-making Association registered in Belgium to a Charitable Incorporated Organisation registered in the United Kingdom:
 - a) The Chair proposed that the meeting should ratify the Executive Committee's decision to change BIEN's status from an International Non-profit-making Association registered in Belgium to a Charitable Incorporated Organisation registered in the United Kingdom; that it should establish a committee consisting of Louise Haagh, Malcolm Torry and one or two more volunteers to work on a set of internal rules to accompany the new constitution and to bring proposed rules to the 2018 General Assembly; and that the paper on internal rules accompanying the agenda should provide the basis for those internal rules. Philippe van Parijs confirmed that he would be willing to assist the committee. Voting was 29 for, 0 against, 1 abstention.
 - b) The Chair proposed that the meeting should appoint Annie Miller, Jay Ginn, Jake Eliot and Mark Wadsworth (all trustees of the Citizen's Basic Income Trust) as additional trustees for the Charitable Incorporated Organisation, and that it should appoint Mark Wadsworth as BIEN's treasurer (Andrea Fumagalli having stood down). Voting was 31 for, 0 against, and 0 abstentions.
9. Future elections for Executive Committee members: The meeting was asked to choose one of the following three options (by single transferable vote):
 - a) Multiple electronic ballots for the different officers and the different EC positions. (cost \$200 x number of ballots, so approx. \$1,800)

- b) Voting at the GA by secret ballot for the different officers and postholders, i.e., not voting by electronic or postal ballot
- c) Allowing postal ballots alongside a secret ballot at the GA for the different officers and postholders.

(Agenda note: In the case of options 1 or 3, no candidate can stand for more than one post, and nominations will have to be received by one month before the GA. In the case of option 2 the GA could decide that nominations would need to be received by one month before the GA.)

Voting results were as follows: First preference votes: a) 11, b) 9, c) 12. b) was therefore eliminated. Once second preference votes had been transferred from option b), results were as follows: a) 13, c) 18. The decision is for a postal ballot alongside a secret ballot at the GA for different officers and postholders.

An additional resolution was proposed by the Chair and seconded by Troy Henderson: that candidates must be nominated at least one month in advance of Executive Committee elections and candidates' details placed on the GA website. Voting was 27 for, 3 against, and 1 abstention.

All of the proposals were therefore agreed, apart from the proposed increase in the life membership fee.
15. Any other business:
16. A resolution was proposed by Ali Kōylüoğlu and seconded by Andrea Fumagalli: that the following should be added to the definition of Basic Income on BIEN's website: 'In accordance with The United Nations' Universal Declaration of Human Rights, Article 25, paragraph 1, which says: "(1) Everyone has the right to a standard of living adequate for the health and well-being of himself and of his family, including food, clothing, housing and medical care and necessary social services, and the right to security in the event of unemployment, sickness, disability, widowhood, old age or other lack of livelihood in circumstances beyond his control." Basic Income is a human right.'
